All entries will enter on station street thru the barricades were a representative will be in place to direct them to the proper location. Cars and trucks will be backed in facing to the south against the north curb of Station Street as they enter from 3<sup>rd</sup> Ave to 6<sup>th</sup> Ave. Tractors on trailers will go to the parking area west of the auto body shop to be unloaded. The tractors will be lined up in the area west of the bus garage. Motorcycles will be displayed in front of the auto body shop on the north side of Station street and continue to the east.

We will have one individual located at the barricades at Station and 6<sup>th</sup> avenue to ensure only participants are allowed through and direction.

We will provide three individuals to assist along the show area to assist participants in parking, and to ensure least a 12' area for separation for each vehicle. They will also instruct the owner to go to the registration desk for help in entering the Auto show.

Music and announcements will be provided by Danny Miller, and will be located near the registration desk. We will be giving away drawing prizes throughout the show.
