## **President's Report**

**June 8, 2017**

- 1. Building at 167 W Station Street** – We have been contacted by Jeff Mortell and Frank Williams about the purchasing of this building. They have been invited to come to our meeting today.
- 2. Condemned Home** – Dana and I discussed our options for moving forward on this house located at 285 S Sheffield St. I have asked Don Leveque to have a cost estimate on the demolition of this house. We should try and have this work done this summer and not let this continue on.
- 3. River Valley Special Recreation Assoc.** – Tom Breitenbucher has contacted me about the possibility of the Village joining this Special Recreation Assoc. This is a group that caters to the special needs of area residents. Currently, they have the three largest Park Districts as members, which are the Bourbonnais PD, Limestone PD and Kankakee Valley PD. If we have an interest in learning more about this, Tom would be happy to attend our July meeting.
- 4. Goals for the Village** – Attached is a sheet for planning out our 2 and 5-year goals for the board. Please take a few minutes and fill out this form. Once you are done, please return the form to Ken or myself before the July meeting. I'll accumulate the answers and have a summary of your answers. If you have any questions, please let me know.
