## **President's Report**

**May 12, 2014**

- 1. Street Resurfacing** – Terry and I met with Dave Tyson a couple of weeks ago. We drove through the town and identified what streets need to be repaired and what streets we could tar and chip. We also, discussed our issues with flooding over on Dewey Street and our issues with East Avenue being to narrow. Dave will be getting back to us on these items. We also discussed the Oak Street project. They have to make some changes to the plans before we can go to bid on this project. We should have these changes done shortly.
- 2. Dixie Highway Signage** – I'm still waiting for Janine Loftus contacted me concerning the price for Historic Route 1 sign. Once I have more information, I'll get back to the Board.
- 3. Beautification Committee** – I plan to meet with the Beatification Committee this month. We will be discussing their plans for the upcoming year. If anyone has something they would like to see done this year, please let me know.
- 4. New Park Equipment** – I have spoken Julie Schoon and my wife, Carol about replacing the damaged equipment. Julie is working on getting the equipment replaced, but they do not want to install any new equipment until we have the security camera installed. I have spoken with Steve about getting this camera installed and getting new signage put up in the park.
- 5. 4<sup>th</sup> of July weekend Fire Works** - I would like to ask that we again provide Fireworks for the town this year. I would ask that we contact Mad Bombers and get a price for the Fireworks display. We can vote on it at next months Regular Meeting.
