

Village of St Anne

President's Report

June 14, 2010

1. Put Illinois to Work program – I have submitted paperwork two times so far in order to get two employees. To date, I have not been contacted to say we can hire anyone. I have called one of the people who is involved in this and they say we will be contacted. I did get clarification on the payment of these employees. These employees will be paid directly by the State of Illinois. All their taxes will also be paid by the State. These people will not be employees of ours, they will be employees of the State.
2. Village of St. Anne Economic Committee – Our last meeting was postponed due to a family emergency by the lady who was doing a presentation for us. Our next meeting is scheduled for June 29th at 3:30 pm.
3. We will be co-hosting the next Mayor Association Meeting/Dinner with Aroma Park. This dinner meeting will be on July 21st and will be held at the Aroma Park Boat Club. The time of this event will be 6-8 pm. Since we are co-hosting this event you and your spouse will be invited. We will be sending out invitations shortly.
4. We have having an issue with one of our residents and their sewage pipe being plugged up. This is a potential EPA situation and if they can't get this problem rectified then we will be forced to handle it on our end. Terry, Ken and I have been working on this problem. I will keep you informed.
5. Bond Refinancing – We will need to have a special meeting to handle the Bond Refinancing that we discussed a few months ago. I'm trying to set it up for Monday of next week. This refinancing will need to be done before the end of the month. I will keep you posted.
