Dustin Duncan and Lucas O'Connell**

President's Report

March 13, 2017

- 1. Building at 167 W Station Street** – Since we don't have a buyer for this building, I would like to see if there is any interest in the Village making improvements to this building and possibly coming up with a use for the building.
- 2. Committees** – Due to the changes in our board next month I will be assigning Board Members to committees. If you would like to change committees, please let me know in the next couple of weeks.
- 3. Condemned Homes** – I have Cliff Cross, the City Planner for the City of Kankakee looking into how we can proceed with the demolition of this house and still not actually own the house. I will have something more in the April meeting.
- 4. Fire Hydrant Replacements** – We should be planning for the replacement of 2-3 more Fire Hydrants for this summer. I would like for the New Maintenance Committee and Don to identify which Hydrants need to be replaced.
