## **President's Report**

**September 11, 2017**

- 1. Condemned Home** – We should have an update in November on this house from Dana.
- 2. Aqua Illinois** – I have a follow up meeting scheduled for this Thursday with Aqua at 2 pm in their office. Anyone is welcome to join me. I'll have a recap at the next meeting.
- 3. Delinquent Utility Bills** – This campaign of collecting pass due amounts seems to be working well. Most people I have talked with have signed contracts requiring double payments going forward. In addition, I have reiterated that their water will be shut off if they miss a payment. We also, need to be sure if we shut off the water that we pull their trash containers that we have issued them. They will get the container back when the water is turned back on.
- 4. Building on Station Street** – I would like to purchase another building on Station Street. It's Parcel Number is 11-26-04-413-014 and it is up for Tax Auction. I have spoken with the administrator of the sale and he has sent a contract to purchase this building. We can purchase the building for \$647.00. I may have a buyer for this building if we can get a hold of it.
- 5. 2 & 5 Year Goals** – I have collected the information that was turned in. Please take a couple of minutes to rate the issues that were offered up. I'll collect this information and we can use this to plan some our upcoming projects.
