President's Report

March 14, 2016

- 1. Building at 167 W Station Street** – If everyone is ok with what the Building Committee presented last month concerning the sale of this building, then I would like to have these requirements posted and published to see what interest we might have in this building.
- 2. Condemned Homes** – I have tried to reach Lyubomir “Lou” Alexandrov concerning the house on Chicago Ave. I've sent Lou a text message and have left two voice messages for him. Since he has not responded as of today, I will send a Certified Letter to the last known address. I'll send the letter this week.
- 3. Pond Area** – I have a request by a couple to hold their Wedding Ceremony at the Pond Area. The Ceremony is August 6th. Before we say yes, I wanted to see if the Board has any issues with this type of event.
