President's Report

September 12, 2016

1. **New Sign** – The quote for the new sign is \$1750.00 installed. If our insurance pays for the old sign, then our portion will be the \$1000.00 deductible. Attached is a picture of the new sign.
2. **Sidewalk Program** – I was speaking with Jr. Cote about our Sidewalk initiative. We don't have to many residents that want to participate. Most homeowners want the Village to pay for and replace their sidewalks. I don't believe that they understand that the homeowners are responsible for their own sidewalks.
3. **Water Main Breaks** – I would like to thank the Don, Charles, Thomas Cotton and everyone who has helped us with our rash of water main breaks. These guys have done just an outstanding job at fixing our problems. I really appreciate the effort that these guys have done.
