President's Report

August 11, 2014

1. **Street Resurfacing** – We have the bid back on this and it was approved. Resurfacing should start soon.
2. **Beautification Committee** – We will be starting on these projects this month. They hope to have everything completed by Pumpkin Fest.
 - a. **The replacing of the white fence by the Recycling**
 - b. **Painting of the curbs and parking lines**
 - c. **Finishing the enclosing of the new tree across the street from the Grocery Store**
 - d. **Painting the maintenance door**
3. **Movie Site** –The movie company is working on securing sites for the shooting of their movie. Al Cohn has met with a few of the building owners and is working with them to use their building. Al has also met with Steve and may be interested in using the Police Station as well as the attic over the Maintenance section of the Alexander Building. The shooting of the scenes in St. Anne is scheduled for the first part of September.
4. **Apartment Building** – Rick Elkin has purchased The Apartment building located at 6972 on Rt. #1. Rick is from Danville and has many properties in Danville area that he has developed. He has been in constant contact with me on this project and is looking forward to bringing this site one that will be an asset to the Village. With that said, Rick is asking about annexing into the Village and would like to work with us on the extending of our sewer system to the Apartments. We're going to have to look into this project again.
