## **President's Report**

**November 9, 2015**

- 1. New Village Hall/Community Center** – I have spoke with Cliff Cross from the City of Kankakee about helping us do a RFP on this project. This is a Request for Proposal that we would write up and give perspective Builders. It will save us the initial expense of paying an Architect to draw up the plans. I'm going to get with the group and see if they are interested in going this route. If we are successful and get a couple of bids, this will at least give us a ballpark of what the cost of this project might cost us.
- 2. Building at 167 W Station Street** – We need to have the Building Committee meeting and come up with the specifications that we want in order to sell this building. Currently, we have 3 prospective buyers that I know of.
- 3. Village Employee Christmas Party** – Ken has secured Dec. 12th for the Village Christmas Party. Please let Ken know if you and your spouse will be attending.
- 4. US Rep. Robin Kelly** – Rep. Kelly is asking for a Meeting with the Rural Mayors. This meeting is scheduled for Nov. 20<sup>th</sup>. If anyone would like to attend this meeting with me, please let me know.
