President's Report

August 12, 2013

- 1. Oak Street Project** – I spoke with Bill Champion last week concerning this project. He indicated he had not finalized what Fratco was going to be able to contribute to this project. He is waiting for a response from his superiors and will let up know in the next week.
- 2. Playground Equipment** - The Playground group has almost completed this project. The gravel and mulch have been installed. Four of the new items have been installed. There are still two more pieces to get installed. Once these are installed the project will completed. Thanks to all who have helped on this project.
- 3. Beautification Committee** – This group painted the curbs in the Downtown Area. In addition, two more of the light posts have been painted by Denise Bonvallet. The new yellow curbs and light posts look great. A big thank goes out Sue and Denise Bonvallet, John Kisiel, Karie Witvoet, Mike Slingerland and my wife Carol for all their hard work. The group is now looking into purchasing three or four benches and the possibility of planting three more trees in the downtown area. Once they get their plans together they will present it to the Board.
- 4. Mayor's Association** – I have been elected as the President of this group for the 2013-14 year.
